SMT. ROSHAN DALVI, JJ.
DATE : 7th October, 2006.

P.C.

. This petiton has been filed to quash and set aside chapter proceedings initiated by the respondents against the petitioner.

2. The petitioner states that he was appointed as a Lecturer in Urdu and that on the false complaint of respondent nos. 2 and 3, chapter

proceedings are initiated against him which deserve to be quashed and set aside. The petitioner also seeks an enquiry to be conducted against the Magistrate for causing harassment to him.

3. On the other hand, the learned counsel appearing for Respondent Nos. 2 and 3 states that the petitioner has lodged false complaint against them alleging that they are ISI agents. This has caused undue harassment to them as every day they are required to attend the police station and undergo mental agony and harassment. Respondent No. 2 is working as a Lecturer and Respondent No. 3 is a government servant.

4. The petition is pending since the year 2004. The chapter proceedings by this time would lapse even if the petitioner is called upon to execute a bond to keep peace. We find that the petitioner has filed this petition only to harass respondent nos. 2 and 3 and cover all his misdeeds of which cognizance has been taken by respondent no. 1. We dismiss the petition as infructuous.
